

Recruitment scams using our company name

Date: February 19, 2026
Toyo-Sasaki Glass Co., Ltd.

Currently, there are cases of recruitment fraud using our company name. There have been reported cases where applicants are provided with false job information in an attempt to fraudulently obtain personal information and money.

We never ask for money from applicants.

Details regarding the recruitment process are posted on our official website, and recruitment is conducted only in Japan. If you receive any suspicious communications or requests for money, please be sure to check the official information on our Japanese website.

Please exercise full caution for your safety.
