At Royal City Avenue in Bangkok, so called RCA area, where trend culture overflow is where “The Bumble Bar” locates. Designed with the wish of becoming the very first stop for young generations to step into bar and cocktail culture, and feel the joy of placing themselves in a society as like the bee community. Its concept as a “Life Bar”, mixture of EDM and Thai Music in 2000’s gives very nostalgic, emotional vibe for 20 to 40 year old guests to go back to their student era.

As a sophisticated speakeasy, guests are welcomed to sit by the counter or on a sofa to enjoy their talk with drink in hand. Moody vivid colored interiors are also unique and delight in

your eyes. Signature cocktails that changes regularly throughout the season is a must try. You may also have a chance to have a cute little bee on top. Mr. Khun Chan, the owner bartender of “The Bumble Bar” says our glassware has high durability, clearness and light weight feature which gives the neat look and ease of operation. Added “Stackable FINO” series are especially ideal for saving space in the bar storage. You will find all the passion and ideas to bring the best in every drink, such as using different glass for each of them to enjoy second to none experience and taste.

LAST CALL BAR

Sugar Ray Group

<https://www.instagram.com/lastcallbar.bkk/>

Name “Last Call” has opened on 20th of June, 2024 from the wish to become the very last bar to stop by and call out for the “Last Order” in their life time. Mr. Vipop, the owner bartender, for himself is also the final destination to devote the rest of his life in bartending.

The concept of Last Call is “Just a bar”, they want guests to simply sit back, relax, and enjoy drinks and talk freely. By the counter for maximum of 10, splendid drink of glass will be served one by one to have guests fully satisfied with their stay. Though it has only been 3 months since their opening, they have changed their beverage menu for about 5 times. This is also for the guests to meet new stimulation, and for themselves to motivate on always challenging new things. Signature cocktails made front of your eyes by the counter is an unforgettable entertainment.

And friendly talk with Mr. Vipop and his brother Mr. Joe is what you will enjoy the most of it.

They have evaluated our stackable “FINO” as “Super Good” design to save space in bar shelves, and wide rim to easily pour drinks.

Unique and warm atmosphere of “Last Call”, everything fresh and designed by hand is a second to none experience. Prior reservation is highly recommended to have your seats ready for the special night, all made for you.

RIVA del Fiume

Four Seasons Hotel Bangkok

<https://www.fourseasons.com/bangkok/dining/restaurants/riva-del-fiume-ristorante/>

RIVA del Fiume is a modern Italian dining where you get to enjoy elevated presentation and taste together with the spectacular view of Chao Phraya River at Four Season Hotel Bangkok. No limits on region but serves seasonally inspired fusion of dishes all across Italy. Sophisticated yet very relaxing atmosphere to sit back with natural sun-lights coming in at day-time, and city lights reflecting on water at evening will be an unforgettable dining experience.

It was an honor to meet Mr. Michel Gunnar Eberhardt, Director of Food & Beverage, and to hear how satisfied they are with our “USURAI” series. “Looking beautiful, good feels in hand and also durable, its ‘Esthetic Durability’ is a surprise” he says. Added that the breakage rate is actually going down and so they will

highly be using our glassware continuously.

Hats off to the overflowing passion to seek for new, interesting things to make guest’s forever memory through dining experience.

Fine dining at Four Seasons Hotel Bangkok is more than special, but they also have events and pop-up restaurants seasonally open for guests. Authentic dining awaits you, and you will never regret.

Rim Bangkok owned by Sugar Ray Group, music themed cocktail bar re-opened in Sathorn area on 20th of June, 2024 with expanding the scale of maximum capacity up to 1,400 people at once. Energy kept high all night by invited DJ, full of music vibes to enjoy. Open every day, you may also get a chance to visit when special events are on, always something new to see with your friends and also knowing someone new.

Refined interiors and lights also gives a special atmosphere. You can either sit by the bar counter or enjoy dancing in the central hall with live DJ.

Our “USURAI” and “SILKINE” full-surface toughened tumbler series are used for colorful, premium cocktails here in Rim. They evaluate our glass has elegance with good thinness and transparency. As their operation is very busy, they also added it

is great to have something that is not easily broken.

If you want to have an energetic night with good music and rhythm, Rim will definitely be one of the best choice to visit during your stay in Bangkok.
